# Mobility Innovation Incubator

- Seeking innovative proposals and ideas.
- Address current gaps in transportation and improve mobility for seniors and people with disabilities in Marin County.
- Focus on areas where the District may have expertise to lend but might not be the most appropriate entity to operate, implement, or market the solution.

# Initiatives and Priorities

- Increasing the Availability of Same-Day or On-Demand Wheelchair Accessible Vehicles
- Providing Technical Assistance to Non-Profits, Human Service Agencies, and CBOs Operating Transportation Services
- Improving Access to Healthcare
- Travel Training and Public Outreach

# Funding and Requirements

- ▶ TOTAL = \$75,000-\$100,000 (max. two-year cycle)
- ▶ June 2017 kick-off meetings
  - ▶ MOU development
  - ▶ Goal setting/guidance
- ▶ Quarterly check-ins with steering committee
- ▶ Minimum of one public presentation

# Application Process

- April 19: Questions due via email
- April 21: Answers posted to website
- April 28: Proposals due
- May 9: Follow-up with promising applicants
- May 15: Selected projects announced

# How do I submit an application?

- Submit Statement of Interest at:  
[www.marintransit.org/incubatorproposal](http://www.marintransit.org/incubatorproposal)
