REQUEST FOR QUOTATIONS:

Printing of Marin Transit Rider Guide

ADDENDUM #1: QUESTIONS AND ANSWERS

Last Updated: April 3, 2017

Quotations Due: April 7, 2017

- 1. Will the reprints be exact reprints with no changes? Do the additional print orders later in the year involve copy changes to either or both 12pp Outer Cover Wrap and the 32pp Interior?**

The reprints would most likely be exact reprints, though it's possible we find errors in the original print and want to correct those in the reprint, in which case there may be very minor edits to a page or two. However, please price the reprints with the assumption that they are exactly the same and note any additional charges for changes in the section on your policy on revisions and corrections. The guides do change every quarter, including both the cover and inside schedules, so each order will essentially be completely new artwork.

- 2. Is Marin Transit exempt from local sales tax, or should the local sales tax be included in the Per Order pricing?**

Marin Transit is not exempt from local sales tax, and local sales tax should be included in the per order pricing.
