Dear Kate,

Could you please share the following request with the Marin Transit Board of Directors?

I am writing to propose the addition of a new stop on Bus Route 245, ideally located near the corner of Lucas Valley Road and Smith Ranch Road (marked with a red "X" on the map below). Currently, the distance between the existing stops at Las Gallinas Avenue & Santiago Way and Smith Ranch Road at Cinemark is quite substantial, and drivers are not permitted to stop in between. Adding a stop in the suggested location would greatly improve accessibility for riders in the area.

For reference, I've indicated the proposed location with an "X" below.

**Route Map**

- Stops
- 📍 Current Vehicle Locations Hover or tap to see arrival times.

Thank you very much for your time and consideration.

Sincerely,

Anna Khachatryan
