Thank you for inquiring about eligibility for ADA Paratransit Service offered by Marin Access. This packet includes information and forms you need to apply for paratransit eligibility. Paratransit Service is a shared ride transportation service offered as part of the requirements of the Americans with Disabilities Act (ADA). Use of Paratransit Service is limited to persons who are unable to independently use fixed route public transit, some or all of the time, due to a disability or health related condition. Marin Access Paratransit Service primarily serves origins and destinations within ¾ of a mile from regular Marin Transit bus routes.

In order to use ADA Paratransit Service, you must be certified as eligible. Eligibility is determined on a case-by-case basis. According to ADA regulations, eligibility is strictly limited to those who have specific limitations that prevent them from using accessible public transportation.

Your application may be approved for full eligibility (unconditional) or on a limited basis for some trips only (conditional eligibility). If you are found to be capable of using regular bus and rail transit for all trips, without the help of another person, you will not be eligible for paratransit.

To apply for eligibility, you must fully complete the attached application form and have the professional verification (Pages 13-14) completed and signed by a licensed professional.

Please print legibly and be sure to fill out each section completely, incomplete applications will be returned. Need assistance? Call the Travel Navigators at 415-454-0902.
Once a completed application is received, we will review your ability to use accessible public transportation and process your application within 21 days. After studying your application, we may need more information and may need to:

- Contact you by phone;
- Schedule a personal interview or a functional evaluation to determine your ability to take a public transit trip; or
- Consult with your doctor, health professional, or other specialist about your condition and abilities.

You will receive notice of your eligibility determination by mail. If you are certified as eligible, you will be eligible to travel on public paratransit services throughout the nine-county Bay Area.

If you do not agree with the eligibility determination, you have the right to appeal. Information on how to file an appeal will be included with your eligibility notice. If an eligibility determination takes longer than 21 days, you may be given temporary eligibility that allows you to use the paratransit system until a final decision about your eligibility is made. This does not apply if, through inactions on your part, we are unable to complete the processing of your application.

PROFESSIONAL VERIFICATION (REQUIRED)

TO THE APPLICANT – Please have the following page completed by a professional before mailing your application to Marin Access. If the signature page immediately following this instruction page is not signed by a professional qualified to make this determination, the application will be returned to you, and completion of your ADA eligibility evaluation will be delayed.

A COMPLETE APPLICATION MUST BE RETURNED ALONG WITH THIS FORM.

TO THE PROFESSIONAL – ADA regulations state that persons are eligible for paratransit service if, because of a disability or medical condition, they are physically or cognitively unable to (not discomforted by or find difficult) independently use lift-equipped public transit service. ADA paratransit eligibility is not based on a person’s lack of knowledge of bus service, distance from bus service, ability to drive, language ability or age. The information you provide will assist in determining under what circumstances this applicant may be eligible for paratransit service.

RECERTIFICATIONS – At Marin Access, we offer an abbreviated recertification process for those individuals whose condition is unlikely to change over time. This portion of the application is optional. If the applicant has a condition that prevents them from riding public transportation AND this condition is unlikely to change over time, sign within the box on the following page titled “Verification of Permanent Condition”. With this statement in our files, the applicant’s future eligibility renewal will be much shorter, consisting of a questionnaire that will ask questions about their travel habits and if they wish to remain in the program.

DISCLAIMER – Paratransit eligibility requirements may change in the future. Should this occur, Marin Access reserves the right to require those with permanent status to meet these new eligibility requirements at the discretion of Marin Transit and The Golden Gate Highway and Transportation District.
