What is Marin Transit?
The Marin County Transit District (Marin Transit) was established by a vote of the people in Marin County in 1964 and was given the responsibility for providing local transportation services within Marin County.

What is Marin Access?
Marin Transit formed Marin Access in 2010 to focus on the problems of transportation for anyone who cannot or chooses not to drive.

Marin Access programs are funded by Marin County’s Measure B, developed by Marin Transit, and operated by contractors including MV Transportation, West Marin Senior Services, and Whistlestop.

Giving up your car keys doesn’t mean giving up your independence.

Marin Access offers a family of programs to suit your transportation needs!
