Marin Transit Update on Novel Coronavirus (COVID-19)

The Marin County Department of Health and Human Services has issued an advisory related specifically to use of public transportation to limit the spread of COVID-19. Additional guidance by the Marin County Public Health Department recommends the following actions are followed:

- 1) Public Transportation should be used for essential travel only (e.g. for essential service employees to get to and from work; for individuals to obtain essential goods and services)
- 2) Infection control recommendations should always be followed on public transportation: a) Individuals who have signs or symptoms of influenza or COVID-19 (cough, shortness or breath, fever) should not board public transportation. b) Travelers should maintain 6 feet of separation from other passengers and the operator while onboard or waiting at stops. c) Passengers should wear face coverings at all times, covering the mouth and nose. d) Hands should be washed or sanitized before and after using public transit. e) High contact areas should be cleaned at the end of the transit line.

Marin Transit, in partnership with all its contracted service providers, continues to follow the Marin County Environmental Health Services guidance for infection control in community spaces. We ask that riders review and follow the guidance outlined above as it relates to public transit services. These recommendations will remain in effect until further notice from the Health Office. Guidance will be reviewed and updated as necessary.

At this time, the District is operating regular service and the only planned change is the suspension of Supplemental School Routes (routes numbered in the 100 series) and the Muir Woods Shuttle during school closures. Supplemental School service and Muir Woods service will resume when school closures are lifted. Please check www.marintransit.org/service-alerts for updates on any new information or service impacts related to COVID-19. For the latest information about COVID-19, please refer to the resources provided by the Marin Health and Human Services Department and the Centers for Disease Control and Prevention.

The Marin County Public Health Department has also issued an order requiring that everyone wear facial coverings in certain settings, including while waiting for or riding public transportation. Face coverings may be cloth material that covers the mouth and nose. Bus Operators can refuse service to riders without a face covering.

Schedules published in the Spring Rider's Guide are applicable for Marin Transit services through September 12, 2020. Marin Transit will not print this Summer Guide in June due to the COVID-19 related impacts and the level of uncertainty surrounding the current circumstance.

The District is operating regular service on local bus routes with a few trip cancellations. **Supplemental School Routes (routes numbered in the 100 series) and the Muir Woods Shuttle are suspended during school and park closures and will resume when closures end.** Please check www.marintransit.org/service-alerts for updated information or service impacts related to COVID-19.

Marin Transit deeply appreciates the cooperation of all riders during this unprecedented time. Please remember to only use transit for essential trips during shelter-in-place orders, maintain safe social distancing, and stay home if you are sick.

Marin Transit, in partnership with all of its contracted providers, would also like to recognize all of the front-line staff who continue to make our services available for those who need transit during this public health crisis.

Marin Transit Connect

On-Demand Service

Marin Transit Connect is your connection to work, home, transit, and other destinations across Marin County. Our service is entirely on-demand, and it operates anywhere in the service area shown to the right, approximately 2.5 miles around each SMART station in Marin County.

To start riding, download the Uber app on your smartphone, or contact a Marin Access Travel Navigators to sign up. Once you register, you'll be able to request a ride from any location—in the service area. You can track your ride in-real time with the app, and book your ride by calling our scheduling line at (415) 454-0902 or by going to m.uber.com and booking for yourself online. The Uber app also shows all of Marin Transit's bus routes so you know all of your mobility options, including other transit options, when you plan your trip!

The Transportation Authority of Marin offers discounts for specific employees and shared rides to and from SMART stations in Marin. This program is also available within the Uber app. Visit tam.ca.gov to learn more.
