

CONSTRUCTION NEWS

September 2025

MARIN COUNTY TRANSIT DISTRICT

Edition 06

FROM THE PROJECT TEAM

The 3010/3020 Kerner Redevelopment Project is about 55% complete. This project includes a new parking lot and charging stations for our EV buses, and we're currently tracking the delivery of the electrical equipment needed for it, which is expected to arrive late this year and early 2026.

The project team is working closely with the contractor to plan and track upcoming construction work. Monthly updates will be available to keep the community informed as the project moves forward.

UPCOMING

- 1st pavement lift
- MSB-B/Switchgear arrival and installation
- Switchgear pad placement

MONITORING & STATISTICS

Construction is ongoing. The project site is monitored for safety and traffic concerns.

WORK COMPLETED

- Piles driven/installed and inspected
- Pile caps welded and inspected
- Curb and gutter forms set

POTENTIAL IMPACTS & MITIGATION

- Long lead time for electrical equipment

Site – Plan West View

Site – Plan East View
