REQUEST FOR PROPOSALS:

Bus Stop Real Time Signage and Content Management System

ADDENDUM #2: QUESTIONS AND ANSWERS

Addendum Issued: June 5, 2019

Proposals Due: June 12, 2019

The following is an addendum to the Request for Proposal for Bus Stop Real Time Signage and Content Management System. This addendum includes answers to additional questions received by Marin Transit after the deadline for questions at 3:00 pm May 29, 2019.

The RFP, together with Addendum #1 and this Addendum #2, constitutes the entire understanding between each of the participating proposers and Marin Transit. Please acknowledge receipt of this addendum in your cover letter as details in the Proposal Requirements Section by specifically listing the addendum number and date of issuance.

Questions and Answers

- 1. Are required forms, references, and pricing information part of the 20 page proposal limit? *Please note if some (required forms, references and pricing information) or all of them are, it will be difficult for proposers to provide comprehensive information requested for Martin Transit to be able to sufficiently evaluate proposals. We recommend that Martin Transit exclude at least required forms and pricing information from the 20 page proposal limit.***

Please see the answer to question 2.

- 2. On page 9 it notes that “the proposal (#2-#9 outlined below should not exceed 20 written pages”. However only 7 sections are identified in the proposal requirements section – what are section 8 and section 9?**

Page 9, V. Proposal Requirements, should read, “The proposal (#2 - #5 outlined below) should not exceed 20 written pages...” Section 8 and 9 were referenced incorrectly. Sections 6 and 7 are not subject to the 20 page limit.
